FROM THE DIRECTOR

When I first read this book, it not only struck something deep inside me, but quickly became a favorite as I can see our world one day following Ray Bradbury's vision.

I had never personally had much interest in directing, preferring the acting side of this art. However, when I discovered Red Mask was needing a director, I jumped at this opportunity.

This has been a unique experience that, even if I direct another show later, will never have an equal. The (final) cast has been amazing to work with and I couldn't have gathered a better group of people.

I'd like to thank my friend, Treewizard, for introducing me to the book and, ultimately, bringing me to here and now. And I would like to thank you, our loyal patrons, for coming out and supporting our show.

*Mac Waites,
Director*

FROM THE PRESIDENT...

Greetings! First, I would like to say thank you for your continued support during this global pandemic. Without patrons such as you, we would not be able to continue to bring quality live theater to the community. For eighty-four years, the Red Mask Players has done its best to bring entertainment to our community. However, the year 2020 has impacted us in a major way. We have had to find a new way to rehearse, change how we do box office, and limit our seating to ensure a safe environment. This has not been an easy time for Red Mask. We fear that if we have to shut down once again, we may not be able to open the doors to our theater in the future. What a travesty this would be for our community, as we are the oldest community theater still operating in downstage Illinois. Here is where we rely on our patrons, family, and friends. If you would like to donate to our daily operations, which include utility bills, insurance, rights for plays, repair and upkeep on our historic building, youth programs, and much more, we would greatly appreciate it. For ways that you can assist in supporting the Red Mask Players, please feel free to reach out to us on Facebook or by emailing redmaskplayers@hotmail.com.

President*

BIOGRAPHIES

Isabelle Bruett (Clarisse McClellen) Isabelle is very glad to be a part of *Fahrenheit 451*, even in this situation, it has been the highlight of her weeks. It has given her hope in a very dark time. She has been in two Red Mask Productions over the years including *Chasing Charming* and *Huckleberry Finn*. She has also been in DLO and TTCD productions as well, including *High School Musical* and *Freaky Friday*. This has been a very amazing show and has an amazing cast that is very welcoming and kind.

Isaiah Easton (Fireman Black) Isaiah is a freshman at Danville High School. He has done many children's shows at Red Mask, and in Christmas of 2019, he played Ralphie in *A Christmas Story*. Isaiah has been acting for four years. He is also involved in music and plays the piano and cello. He would like to thank his past directors, Amanda France and Jamey Coutant, for supporting him throughout his years of theatre.

Gaye Garner (Producer/Aristotle) Gaye has been active with Red Mask since 1983. She has worked on stage and backstage as director, producer, stage manager and actor. This is the second show she has served both on and off stage for the same play. This time is especially appropriate, as her day job is at the Danville Public Library. No one better try to tell her she can't read whatever she wants. Thanks to the casting committee for allowing her to be Aristotle, to Dr. Leo Paul DeAlvarez for urging her to study Greek, and also to Roz, for being patient about her being gone so much.

Tyler Johnson-Zimmerman (Paramedic 1) This is Tyler's first show with Red Mask. He would like to thank director Mac Waites for the opportunity to make his theater debut. He would also like to thank Lucas for his love and support while he is away from home for this production.

BIOGRAPHIES

Balei Maskel (Mildred “Millie” Montag) Balei is thrilled to have the opportunity to play this sassy television-obsessed character. She has previously been involved in DLO’s *Les Misérables* and really enjoyed taking theater classes in college. Although this may be her first play, Balei has already caught the acting flu and hopes to participate in many more local productions. She wants to thank her parents Pam and Kevin for their encouragement and also wants to thank her fellow cast members for all of the fun memories they’ve shared.

Roger Mertens (Professor Faber) Roger is a recent theater transplant by way of Spokane, Seattle and Tucson.

Brandon Moore (Guy Montag) *Fahrenheit 451* is Brandon’s fourth show with Red Mask Players, and he thanks director Mac Waites for the opportunity to play such a challenging role. He also thanks this very talented and wonderful cast and crew for making this such a wonderful experience.

Mark Muller (Fireman Henley, Paramedic 2, Announcer) This is Mark’s first show with Red Mask, but he’s been involved in community theatre in the Danville and Urbana/Champaign area since 2011. Mark’s a big fan of the author of this play and is excited to be involved in this production. It has been a pleasure to work with the cast and crew, and hope everyone enjoys the show.

Beverly Nees (Mrs. Hudson) Beverly is pleased to be a part of this show. She has been an active Red Mask member for 33 years both on stage and backstage. She thanks her husband Rod for letting her indulge in her favorite hobby.
